

United Bowhunters of Missouri Rendezvous

It's that time of the year again for all of us to get together in the summer heat and lie to one another about all our hunting conquests from this past winter and spring. Food and beverages will be shared and, who knows, a bow may even be shot every now and then. The Rendezvous is always a great family affair so pack up the kids, bring along 20 of your closest relatives and join the rest of us for some fun in the sun!

The event will be held in Marshall again due to the grand ole time we had there last year. For those of you not familiar with the Marshall Bowhunters site from the famous annual MO Jam event, it might be a little tough to find, but it is well worth the effort. There will be free primitive camping on site and the UBM and the Marshall Bowhunters have coordinated to have several fresh Port-o-Potties on site. There is potable water and ice available as well, but no hookups. There are picnic tables around, but be sure to bring your lawn chairs and maybe a pop-up shelter or two in case of rain. There is a pool and shower facility available for \$1/head at the park just opposite the turn into the Marshall Bowhunters drive which might be a nice respite if it's hot.

Friday evening will be an informal affair with an open Board Meeting around 8:00 pm. All are invited and encouraged to attend and participate. Open shooting is available Friday evening - "coon" shooting after dark at your own peril!

Saturday will start off with registration opening at 8:00 am and there will be two 12-target course loops available to shoot. There will be an activity for the young'uns around mid-morning and some novelty shoots in the afternoon followed by the 3-Man Skirmish. This year there will be no catered supper in the evening so bring your own possum and throw it on the grill! The night's activity will just be a simple "hang out with your friends" and we can open up the "coon" shoot again if anyone's interested.

Marshall Bowhunters will have concessions available for Saturday morning and noon as well as Sunday morning. Their vittles have always been first-class and their prices are very reasonable. Let's do our best to support their organization and fill our bellies (while simplifying our weekend)! We'll also be putting our best "Green" foot forward this year with recycling receptacles for glass, aluminum and plastic. With some conscientious effort, we can reduce our footprint for the weekend.

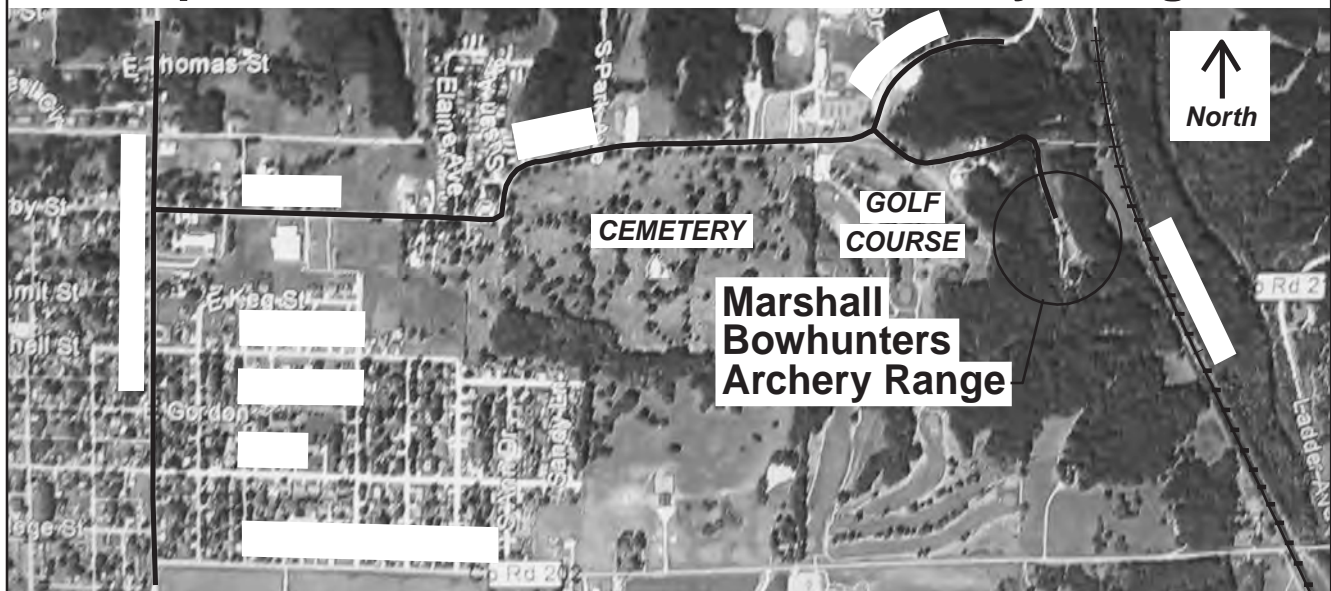

Back by popular demand will be some can raffles. If you have something to donate, let Darren Haverstick or Brian Peterson know or simply bring the item(s) with you to the Rendezvous. Anything you can spare is greatly appreciated. The can raffle drawings will be held early Saturday evening.

Questions or comments, please contact Brian Peterson (bpeterson007@centurytel.net, 417-331-1135) or Darren Haverstick (dchaverstick@gmail.com, 417-693-5304).
